Our Expectations

- . **Independence** – In Year 6, we encourage independence in preparation for secondary school.
- . **Morning Work** – This will begin at 8:45 each morning and children would benefit by being in school for this time.
- . **Appearance** – Full school uniform is expected and for PE, the children are expected to wear plain navy bottoms and a plain white t-shirt.
- . **Equipment** – We provide most of the equipment for the children, such as handwriting pens, pencils, rulers and rubbers, however due to current circumstances, to avoid sharing equipment, we ask that you send the children back to school with a pencil case (small enough to fit into their drawer).

Responsibility

As a Year 6 pupil, you have the opportunity to take part in several roles across the school:

- . Ambassadors
- . Science Ambassadors
- . Prime Minister

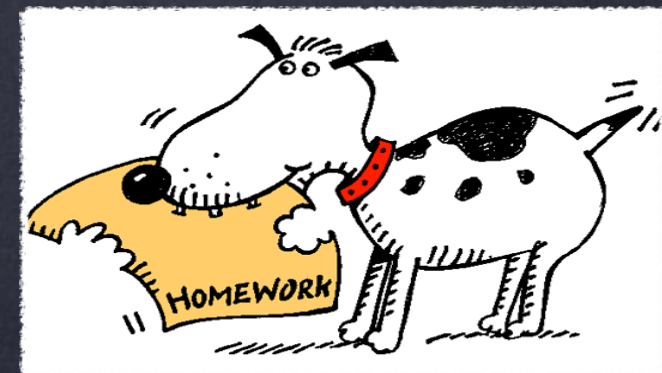

The Curriculum

- . The children will take part in daily English and maths lessons, with a specific arithmetic and reading lesson each week.
- . We will publish the termly overview on Bridgewater's website, identifying more specific learning.

Homework

- Homework – Weekly English and maths homework will be set on Seesaw. This will be assigned on each Thursday and is expected to be completed by the following Tuesday.
- Times Tables and Reading– As well as weekly English and maths homework, the children are also expected to complete regular times tables practise on TT Rockstars and read regularly at home to an adult.
- Spelling Shed – Children will be able to access spelling activities to support them with the application of spelling rules they have been taught.

PGL

**KEEP
CALM
AND
LOVE
PGL**

PGL will take place on
25th – 29th September.

Transition

Usually, in October, secondary schools publish a list of their open days for Year 6's. We advise that you take the opportunity to visit any that you are considering for your child.

Towards the end of the year, we will complete a number of transition based activities to help with your child's transition to secondary.

PE lessons

The children will have 2 PE lessons a week. One outdoor and one indoor slot.

Wednesday (indoor)
Friday (outdoor)

Please ensure the children are wearing the correct PE kit, consisting of plain navy bottoms and a plain white T-shirt.

SATs

We aim to hold an information evening in October where we will give you detailed information about the different SAT tests and how we help the children prepare for them.

This year the SATs will run from Monday 13th May – Thursday 16th May 2024.

Pupil Premium Funding

The Pupil Premium is additional funding given to publicly funded schools in England. Anyone who qualifies will receive a £45 voucher towards school uniform.

Your child may be eligible for Pupil Premium if you are in receipt of one of the following benefits.

- Income Support
- Income based job seekers allowance
- Child Tax credit
- Employment and support allowance (income related)
- Universal credit (income dependant)

Pupil Premium funding is paid directly to the school to improve the quality of your child's education experience.

If you think your child may eligible to receive this additional funding please apply using the following link and scroll down to
